Welcome everyone. It is already Week 8 but there is still some time to go as this is an 11 week term. We still have our Tarampa State School Athletics Carnival on the last Thursday of term. Report cards will also be handed out close to this date.

It has come to my attention that some students are not wearing a jumper to school on cold mornings which concerns me. There are quite a few students absent from school at present as a result of the onset of Winter. Wearing a jumper might help in avoiding catching a cold. Also, we have had a number of students turn up to school that have to go home a couple of hours later. If your children are sick then they need to be at home to recover and not passing germs onto other students. I know some students don’t want to stay home but we must let common sense prevail.

Tarampa State School has prided itself on the fact that all teachers collect the fullest and latest data on students to enable accurate grading of students and hence accurate report cards. It is for this reason that the end of Term 2 and 4 become quite hectic with added assessments for students. Please encourage your children to try hard in all of these little tests as we all want our students to do well.

SCHOOL PHOTO DAY: Information and order envelopes were sent home recently regarding our School Photo Day on 16 June. Please contact the office if you haven’t received your child’s one or if you have misplaced it.

STUDENT COUNCIL FUND RAISER: On Wednesday the 15th of June, The Student Council is having a free dress day. Please bring a gold coin donation.

Our commitment at Tarampa State School is to the core learning priorities of Reading, Writing, Numeracy, and Science.

We will develop productive partnerships with students, staff, parents and their communities to improve student learning opportunities.

At Tarampa State School we will implement the Australian Curriculum and differentiate to cater for all ability levels in the curriculum planning process.
**Year Prep/1 News**

Mrs Grassick is away today but would have liked to have written that she is pleased with the effort children are displaying doing their tests. Well done.

**Year 1/2 News**

Year 1 has chosen a poem and Year 2 have written a poem to recite to the class on Thursday 9th June. Please help your child practice and add actions.

If possible, could you please put a change of spare undies and pants in the bottom of your child’s bag just in case of accidents. Please also send back any spare clothes that I have provided you. Mrs McGeary

**Year 3-4 News**

There has been a massive improvement in the number of students completing homework to a high standard but unfortunately some students are not getting their home reader sheet signed. If the sheet isn’t signed, I have no idea if the children are reading their books at home and so I don’t issue another book until I see a signature. Could parents please be vigilant in signing the home reader sheet. Thank you.

**Year 5-6 News**

Mr de Grussa is away today and would have liked to have written here that the children in his class are trying very hard in doing their tests. Well done everyone.
P&C Reminders:
Return all Chocolate Money please.

Headlice
Please be aware that there has been a case of headlice discovered in our school. Please check your children’s hair thoroughly and, if any are found, treat it before they return to school.
